AKAL Construction has been working with Cooper Roofing & Solar Inc. for the past 3 years. We have built several commercial projects with them and will continue to do so in the future. They are extremely quality oriented. Their finished product is nothing less than perfect. They have a wonderful, customer service oriented staff to accompany their great work skills. From estimating to contracting to scheduling to construction and billing, they are top notch at everything they do. Their staff is always friendly and willing to help in any way they can.

It is a genuine pleasure doing business with Cooper Roofing & Solar Inc.

Sincerely,
